

## Program Meeting minutes from June 20<sup>th</sup> 2016

**Attendees:** Matt Gordon, Prill Zobel, Dawn Lasater, Mary Frederick, Aaron Marchbanks, Sherry Sisson, Linda Stinson and Teresa Shaw.

**Call to order/welcome-** Prill welcomed us and read a devotion, we then each said a favorite grade of ours from Elementary school and why we liked that grade. This was a getting to know you activity.

**Review of minutes:** The minutes from May were passed as written

### **Evaluations:**

Baptisms went well, Matt was grateful for all the help.

**Community Service Day June 5<sup>th</sup>** .....was hot, but went well. A lot of detail things were done like cleaning out utensil drawers in Disciple House. Cards were sent to Ecuador. House and grounds did yard work, bark was spread. Some Yard supply donations would be nice.

**Father's Day Car Show June 19<sup>th</sup>**.....Jim and Linda worked hard to get the word out about this event and it really showed. There were 25 cars and lots of people stayed to enjoy the chili cook-off. There were 3 new people making chili this year. Christa won this year. We might need more table and chairs for next year. We also discussed a permit for blocking off the street that day to be able to accommodate more cars and people for this event.

**Promotion Sunday:** Went well.....all involved were noticed.

### **Overview and reports of on-going ministries/committees:**

**Worship:** Prill stated that sometimes it is hard to see and hear, specifically the presentation by the children on promotion Sunday. Matt stated that he does have a new microphone and the folk singers have new speakers. We talked about monies to be used for sound and electronics and for a better and bigger screen that might pull down from the wall, but we decided that would cost too much money.

We did decide that Jill should make at least 5 Sunday bulletins that have a font of 14 inches for those that have trouble reading smaller font.

### **Christian Ed/Children and Adults:**

The bible studies is taking a summer break but Matt hopes for more people in the Fall, and will have a Fall Bible study series.

**Disciple's House:** A new RA has been hired and will start this summer. He is a PHD engineering student at OSU and he seems to be a good fit. The house will be full this Fall.

**Belknap Gathering:** This event was a terrific success. 62 people went and had a great time.

**Belknap continued:** We are already signed up for next year. Dates are the last weekend in June 2017.

**Otter Beach:** The church will provide drinks. Food will be broken up into 3 groups by alphabet, but we still have no lead for this event. Who will make sure event goes as planned?

**Stone Soup:** No report as Sue was not in attendance, but it was noted that a new dishwasher was purchased and the stove has been fixed.

**CDDC:** Dawn said that Jerry went to the meeting for her. They are revising their bi-laws.

**Global Missions:** Julie Evans (Clinical Director Pastoral Counseling) will give the presentation on July 17<sup>th</sup>. Jill and Lauri will present in August. We talked about putting a policy in place with an application process for anyone to apply for if they too are interested in a global mission, or any mission for that matter. Anything that involves a social justice issue with ministries consistent with the vision of the church. We would have monies set aside (grant?) and whomever is interested could apply for this fund, but we would have questions and possibly a committee, we will bring this topic back up in August.

**West M:** We don't have a representative for this yet....do we?

**Pastoral Counseling:** Will have a presentation by Julie Evans on July 17<sup>th</sup>. They are still considering changing their name, as they feel is it a confusing name and hence might keep people away.

#### **Future Planning:**

**Labor Day in the Park:** We are responsible for and Matt and Tom and Mary Frederick will coordinate help for this day. We also need to have 5 dozen cookies.

**E-Script:** Laurie is in charge of this.

**Craft Fair:** Project this year will be paving the back parking lot, and this will be done July 25-27<sup>th</sup>. Vendors have been chosen and their confirmations mailed out.

**Community Service Project:** When is the next one? August (outside) or October (inside)?

**Memorials committee formed:** Names are: Pat M, Matt G, Marcene and Georgeann

**Elders/Deacons:** It was noted that we should have regular meetings/trainings, as concerns and questions arise during the year. We will have another meeting/training on November 6<sup>th</sup>, with a lunch afterwards at Elmer's.

**Closing Prayer:** Matt led us in a closing prayer.
